"Baby-Info-Box - Welcome newborn"

Dear family,

congratulations to the birth of your child. The Government of Babenhausen is looking forward to every new inhabitant. The "Baby-Info-Box", which we have been handed over since 2020, is a part of our social visiting program for resident families with newborns. In the meantime, we have given this Box to more than 330 families.

In cooperation with Daniela Kambor from mykidsSAFE we have compiled a comprehensive Baby-Info-Box as a warm welcoming present for you. Every box is lovingly hand-packed and free of charge. It contains wonderful and practical gifts for you and your baby, as well as a lot of useful information about family & baby, local family offers and interesting special discounts.

Therefore, this cooperation project gives all families with newborns the opportunity to find a large number of relevant contacts, offers and local family services quickly, easily and all in one place. Mrs. Kambor will be happy to hand over the "Baby-Info-Box" personally. If you are interested, please contact her by phone (0157-70208101) or by e-mail (hallo@baby-info-box.de) to schedule a date for a personal visit or, alternatively, to pick up the "Baby-Info-Box" from her directly.

We wish you and your family all the best for the future.

With kind regards

Dominik Stadler
